(2) A deposit is held by a UK establishment or a branch if it is assigned by the firm to an account of that UK establishment or that branch.
(3) A deposit is, subject to the other rules in this Chapter, an eligible deposit if it is held by a firm which:

(a) had a Part 4A permission to accept such deposits at the time the deposit was accepted but no longer has permission to accept eligible deposits, or is subject to a requirement preventing it from doing so; and

[Note: Art. 4(3), 4(6), 5(1), 5(2)(a) and 14(1) of the DGSD]

3 CIRCUMSTANCES IN WHICH FSCS PAYS COMPENSATION IN RESPECT OF ELIGIBLE DEPOSITS

3.1 This Chapter applies only to the FSCS.

3.2 The FSCS must pay compensation in accordance with this Part in respect of an eligible deposit if it is satisfied that the eligible deposit is a deposit with either:

(1) a DGS member which is in default; or

(2) a firm which is in default and which:
(a) had a Part 4A permission to accept such deposits at the time the deposit was accepted but no longer has permission to accept eligible deposits, or is subject to a requirement preventing it from doing so; and

(b) is not a member of a non-UK scheme which covers such deposits.

4 LIMITS ON COMPENSATION PAYABLE

4.1 This Chapter applies only to the FSCS.

4.2 The maximum compensation sum payable for the aggregate eligible deposits of each depositor is £85,000, save that additional compensation may be payable in cases to which 4.3 applies.

[Note: Art. 6(1) of the DGSD]

4.3 The maximum compensation sum payable for a temporary high balance is £1,000,000, save that no limit shall apply to the compensation payable for a temporary high balance arising from a payment in connection with personal injury or incapacity.

[Note: Art. 6(2) of the DGSD]

5 CALCULATING COMPENSATION

5.1 This Chapter applies only to the FSCS.

5.2 Compensation shall be calculated by reference to eligible deposits held on the compensation date.

[Note: Art. 7(4) of the DGSD]

5.3 The limit provided for in 4.2 applies to the aggregate eligible deposits placed by a depositor with the same credit institution, irrespective of the number of accounts, the currency, or the location within the EEA.

[Note: Art. 7(1) of the DGSD]

5.4 The share of each depositor of a joint account shall be considered separately in calculating the limits provided for in 4.2 and 4.3, except where 5.5 applies. In the absence of contrary provision, the joint account shall be divided equally among the depositors to the nearest penny.

[Note: Art. 7(2) of the DGSD]

5.5 Deposits in an account to which two or more persons are entitled as members of a business partnership, association or grouping of a similar nature, without legal personality, must be aggregated and treated as if made by a single depositor for the purpose of calculating the limits provided for in 4.2 and 4.3.

[Note: Art. 7(2) of the DGSD]

5.6 Where several persons are absolutely entitled to a beneficial interest in a deposit, the share of each, under the arrangements subject to which the deposit is managed, shall be considered separately in calculating the amount payable to each of them.

[Note: Art. 7(3) of the DGSD]
5.7 Where several persons are absolutely entitled to a beneficial interest in a deposit, and some of them are persons whose own deposits would not be eligible deposits, the FSCS must adjust the amount of the overall deposit to eliminate the part of it which, in the FSCS's view, relates to those beneficiaries' interest in the overall deposit.

5.8 Liabilities of the depositor against the DGS member shall not be taken into account when calculating the compensation sum.

[Note: Art. 7(4) of the DGSD]

5.9 Except where the compensation sum arises from a temporary high balance, the FSCS shall reimburse interest owed on eligible deposits which had accrued, but has not been credited, at the compensation date. The limit provided for in 4.2 shall not be exceeded by the payment of any such interest.

[Note: Art. 7(7) of the DGSD]

6 PAYING COMPENSATION

6.1 This Chapter applies to the FSCS.

6.2 The FSCS must pay any compensation to the depositor, with the following exceptions:

(1) where the FSCS is required to make payments on behalf of a non-UK scheme in accordance with the deposit guarantee scheme regulations;

(2) where the FSCS must instruct a non-UK scheme to make payments on its behalf in accordance with 27.3;

(3) where the FSCS is required to make payments to a person other than the depositor in accordance with section 214B or section 214D of FSMA or section 61 of the Banking Act 2009;

(4) where the depositor directs that any compensation be paid to another person, the FSCS may pay the compensation as directed by the depositor;

(5) where the depositor is not absolutely entitled to the eligible deposit:

(a) if another person is absolutely entitled to the eligible deposit, that person is the person entitled to compensation in respect of the deposit, and accordingly the FSCS must pay any compensation to the person who is absolutely entitled to the eligible deposit, provided that the person has been identified or is identifiable before the compensation date; and

(b) if no person is absolutely entitled to the eligible deposit, the FSCS must pay any compensation in accordance with such of 6.3, 6.4, 6.5 and 6.6 as applies.

[Note: Art. 7(3) of the DGSD]

6.3 If a person is:

(1) a trustee (other than a bare trustee); or

(2) the operator of, or the person carrying on the regulated activity of winding up, a stakeholder pension scheme (which is not an occupational pension scheme) or personal pension scheme,
the FSCS must treat that person’s entitlement to compensation in this capacity as separate from the entitlement to compensation in any other capacity, as if the two entitlements were held by different persons.

6.4 If a deposit is held:

(1) for the trustees of a small self-administered scheme, an occupational pension scheme of micro, small and medium sized enterprise, or the trustee or operator of, or the person carrying on the regulated activity of winding up, a stakeholder pension scheme (which is not an occupational pension scheme) or personal pension scheme;

(2) for one or more members of a pension scheme (or, where relevant, the beneficiary of any member) whose benefits are money-purchase benefits,

the FSCS must treat the member or members (or, where relevant, the beneficiary of any member) separately as persons entitled to receive compensation.

6.5 If any group of persons are:

(1) co-trustees (other than bare co-trustees); or

(2) operators of, or persons carrying on the regulated activity of winding up, a stakeholder pension scheme (which is not an occupational pension scheme) or a personal pension scheme

(or any combination thereof), the FSCS must treat them as a single and continuing person distinct from the persons who may from time to time be the trustees, or the operators or persons winding up the relevant pension scheme.

6.6 Where the same person is:

(1) trustee for different trusts or for different stakeholder pension schemes (which are not occupational pension schemes) or personal pension schemes; or

(2) the operator of, or the person carrying on the regulated activity of winding up, different stakeholder pension schemes (which are not occupational pension schemes) or personal pension schemes,

the FSCS shall treat that person’s entitlement to compensation in respect of each of these trusts or schemes as if they were entitlements of a different person.

6.7 Where any of the provisions of 6.3, 6.5 or 6.6 apply, the FSCS must try to ensure that any amount paid to:

(1) the trustee; or

(2) the operator of, or the person carrying on the regulated activity of winding up, a stakeholder pension scheme (which is not an occupational pension scheme) or personal pension scheme

is, in each case:

(3) for the benefit of members or beneficiaries whose own deposits would be eligible deposits; and

(4) no more than the amount of the loss suffered by those members or beneficiaries.
6.8 Where a person holds a deposit as the personal representative of another or on behalf of another, the FSCS must treat the personal representative or the person acting on behalf of another in respect of that deposit as if they were standing in the shoes of that other person.

6.9 In applying this Chapter to deposits held with a branch outside the UK of a DGS member, the FSCS must interpret references to:

(1) persons entitled as personal representatives, trustees, bare trustees, operators of pension schemes or persons carrying on the regulated activity of winding up pension schemes; or

(2) persons having a joint account or joint interest in a deposit or carrying on business in partnership,

as references to persons entitled, under the law of the relevant country or territory, in a capacity appearing to the FSCS to correspond as nearly as may be to that capacity.

7 FORM AND METHOD OF COMPENSATION

7.1 This Chapter applies only to the FSCS.

7.2 The FSCS may pay compensation in any form and by any method (or any combination of them) that it determines is appropriate including, without limitation:

(1) by paying the compensation (on such terms as the FSCS considers appropriate) to a DGS member or an incoming firm which agrees to become liable to the compensation recipient in a like sum;

(2) by paying compensation directly into an existing deposit account of (or for the benefit of) the compensation recipient, with a DGS member or an incoming firm (but before doing so the FSCS must take such steps as it considers appropriate to verify the existence of such an account and to give notice to the depositor of its intention to exercise this power);

(3) where two or more persons are absolutely entitled to a deposit, by accepting communications from and/or paying compensation to any one of those persons where this is in accordance with the terms and conditions for communications and withdrawals of the eligible deposit.

7.3 This Chapter is subject to:

(1) Chapter 6;

(2) section 214B and section 214D of FSMA; and

(3) section 61 of the Banking Act 2009.

8 CURRENCY OF COMPENSATION

8.1 This Chapter applies only to the FSCS.

8.2 Subject to 8.3, the FSCS must make compensation payments in respect of eligible deposits in pounds sterling. Where the account in which the eligible deposit was held was maintained in a different currency, the FSCS must use the exchange rate applying on the compensation date.
8.3 Where the FSCS is instructing a non-UK scheme to make a payment under 27.3, the FSCS must instruct the relevant non-UK scheme to make such payments in the currency of that host Member State.

[Note: Art. 6(4) of the DGSD]

9 TIME LIMITS

9.1 This Chapter applies only to the FSCS.

9.2 The FSCS must pay compensation in respect of eligible deposits within the applicable time period and as soon as reasonably practicable after:

1. it is satisfied that the conditions in 3.2 have been met; and
2. it has calculated the amount of compensation due to the compensation recipient.

9.3 The applicable time period referred to in 9.2 is the period starting on the day following the compensation date and ending:

1. until 31 December 2018: twenty business days later;
2. from 1 January 2019 until 31 December 2020: fifteen business days later;
3. from 1 January 2021 until 31 December 2023: ten business days later;
4. from 1 January 2024: seven business days later;

unless 6.2(5) applies, or the FSCS reasonably believes that it may, in which case it ends three months later.

[Note: Art. 8(1), (2) and (3) of the DGSD]

9.4 The FSCS may decide to defer the payment of compensation beyond the time period set out in 9.3 where:

1. it is uncertain whether a person is entitled to receive compensation;
2. the deposit is subject to a legal dispute;
3. the deposit is subject to restrictive measures imposed by national governments or international bodies;
4. there has been no transaction on the account within the last 24 months;
5. the amount to be repaid is deemed to be part of a temporary high balance, in which case 10.8 applies;
6. the amount to be repaid is to be paid out by the host state scheme; or
7. the depositor or the compensation recipient has been charged with an offence arising out of or in relation to money laundering.

[Note: Art. 8(5) and (8) of the DGSD]

9.5 The FSCS may decide not to pay compensation where there has been no transaction on the account in which the deposit is held within the 24 months prior to the compensation
date and the amount of the deposit is lower than the administrative costs that would be incurred by the FSCS in paying compensation.

[Note: Art. 8(9) of the DGSD]

9.6 (1) From 1 June 2016 until 31 December 2023, in cases to which 9.3 applies, where the FSCS cannot pay compensation within seven business days starting on the day following the compensation date, the FSCS shall, provided the FSCS receives sufficient information to enable it to make a payment, ensure that within five business days of receipt of a request from a depositor:

(a) the depositor who is an individual, has access to an appropriate amount of their covered deposits to cover the cost of living; and

(b) the depositor which is not a large company has access to an appropriate amount of their covered deposits to cover necessary business expenses.

[Note: Art 8(4) of the DGSD]

(2) From 3 July 2015 until 1 December 2016, in cases to which 9.3 applies, the FSCS shall ensure that a depositor which is a large company has access to their covered deposits within fifteen business days of receipt of a request from the depositor which contains sufficient information to enable the FSCS to make a payment.

(3) In 9.6 the following definition shall apply:

large company

means a body corporate which does not qualify as a small company under section 382 of the Companies Act 2006.

10 TEMPORARY HIGH BALANCES

10.1 This Chapter applies only to the FSCS.

10.2 In order to qualify as a temporary high balance, a part of an eligible deposit in excess of the coverage limit provided for in 4.2 must meet at least one of the following additional criteria:

(1) it comprises:

(a) monies deposited in preparation for the purchase of a private residential property (or an interest in a private residential property) by the depositor;

(b) monies which represent the proceeds of sale of a private residential property (or an interest in a private residential property) of the depositor; or

(c) monies which represent the proceeds of an equity release by the depositor in a private residential property;

(2) it comprises sums paid to the depositor in respect of:

(a) benefits payable under an insurance policy;

(b) a claim for compensation for personal (including criminal) injury;

(c) State benefits paid in respect of a disability or incapacity;
(d) a claim for compensation for wrongful conviction;
(e) a claim for compensation for unfair dismissal;
(f) their redundancy (whether voluntary or compulsory);
(g) their marriage or civil partnership;
(h) their divorce or dissolution of their civil partnership; or
(i) benefits payable on retirement;

(3) it comprises sums paid to the *depositor* in respect of:
   (a) benefits payable on death;
   (b) a claim for compensation in respect of a person’s death; or
   (c) a legacy or other distribution from the estate of a deceased person;

(4) it is held in an account on behalf of the personal representatives of a deceased person for the purpose of realising and administering the deceased’s estate; or

(5) it otherwise serves a social purpose provided for, or of the type provided for, in the law of a part of the *United Kingdom*, which is linked to the marriage, civil partnership, divorce, dissolution of civil partnership, retirement, incapacity, death of an individual, or to the buying or selling of a *depositor’s* only or main residence that is not freehold, heritable or leasehold property.

10.3 Following the *compensation date*, the *FSCS* must review the *single customer view* of each *depositor* with the *DGS member* and provide written notice to an individual with aggregate *eligible deposits* in excess of the coverage levels set out in 4.2 of the following:

(1) that the *depositor* may be entitled to additional compensation if all or part of the *eligible deposit* in excess of the coverage levels provided for in 4.2 qualifies as a *temporary high balance*;

(2) that in order to claim such additional compensation, the *depositor* must provide the *FSCS* with a written application and evidence supporting the *depositor’s claim* that all or part of the *eligible deposit* in excess of the coverage levels provided for in 4.2 qualifies as a *temporary high balance*;

(3) that the *depositor* may make more than one *claim* for a *temporary high balance* if there are multiple events giving rise to a *temporary high balance*; and

(4) the date by which such written application and supporting evidence should be submitted to the *FSCS*.

10.4 The *FSCS* must pay compensation to a *depositor* in respect of a *temporary high balance* in accordance with 4.3 if it is satisfied that there is a sufficient link between an event giving rise to a *temporary high balance* and the part of the *eligible deposit* in excess of the coverage levels provided for in 4.2, taking into account the following considerations:

(1) the written application and evidence provided by the *depositor* under 10.3; and

(2) any other information that the *FSCS* considers relevant.
10.5 The FSCS must pay compensation to a depositor in accordance with 4.3 in respect of each temporary high balance that the depositor has with any one DGS member.

10.6 The FSCS may pay compensation in respect of a temporary high balance to a person who makes a claim on behalf of another person if the FSCS is satisfied that the person on whose behalf the claim is made would have been paid compensation by the FSCS in respect of that temporary high balance had the person been able to make the claim themselves, or to pursue their application for compensation further.

10.7 The protection for temporary high balances under 4.3 shall run for a period of six months from the later of:

(1) the first date on which a temporary high balance is credited to a depositor’s account, or to a client account on a person’s behalf; and

(2) the first date on which the temporary high balance becomes legally transferable to the depositor.

[Note: Art. 6(2) of the DGSD]

10.8 The FSCS must, within three months of the compensation date, pay to the depositor a sum representing the amount due to the depositor in respect of the temporary high balance unless one or more of 10.9 to 10.11 applies.

[Note: Art. 8(5)(d) of the DGSD]

10.9 The FSCS may defer payment in respect of a temporary high balance for a period in excess of the period specified in 10.8 where:

(1) the depositor provides the written application and evidence referred to in 10.3 to the FSCS more than two months following the date of the written notice from the FSCS under 10.3;

(2) the FSCS has informed the depositor that the FSCS is contacting a third party to ask for additional information necessary to determine the claim; or

(3) one or more of the circumstances set out in 9.4 (1)-(7) arise.

10.10 If the FSCS considers that the written application and evidence provided by a depositor under 10.3 does not demonstrate a sufficient link between an event giving rise to a temporary high balance and the eligible deposit being in excess of the coverage levels provided for in 4.2, the FSCS must write promptly to that depositor to:

(1) request any additional information that the FSCS considers necessary to determine the claim (within such time as the FSCS may specify); or

(2) confirm that the FSCS has determined that the deposit is not a temporary high balance and that it rejects the claim.

10.11 If the written application or evidence provided by the depositor under 10.3 contains any material inaccuracy or omission, the FSCS may reject the claim for compensation unless this is considered by the FSCS to be wholly unintentional.

10.12 Where all or part of a temporary high balance is transferred to another DGS member after the start of the coverage period referred to in 10.7, the FSCS must pay compensation if it considers that the transferred deposit is sufficiently linked to the temporary high balance.
The coverage period in 10.7 shall be calculated by reference to the point at which the temporary high balance was credited to the first account.

10.13 Where the FSCS rejects a claim made under this Chapter, it must give:

1. written reasons for its decision;
2. a summary of any right to request an internal FSCS review of the decision; and
3. a summary of any right to appeal the decision.

11 MARKING AND INFORMATION REQUIREMENTS

11.1 A firm must mark eligible deposits in a way that allows for the immediate identification of such deposits.

[Note: Art. 5(4) of the DGSD]

11.2 A firm must mark accounts (including client accounts and trust accounts) which are held on behalf of beneficiaries and which contain or may contain eligible deposits in a way that allows immediate identification of such accounts.

[Note: Art 5(4) and 7(3) of the DGSD]

11.3 A firm must be able to provide the FSCS with the aggregated amount of eligible deposits of every depositor.

11.4 Upon receipt of a request by the FSCS, a firm must provide the information in 11.3 to the FSCS.

[Note: Art 7(6) of the DGSD]

11.5 A firm must be able to provide the FSCS with all information necessary to enable the FSCS to prepare for the payment of compensation in accordance with this Part.

[Note: Art 4(8) and 8(6) of the DGSD]

11.6 Upon receipt of a request by the FSCS, a firm must provide the information in 11.5 so as to enable the FSCS to prepare for and pay compensation in accordance with this Part.

[Note: Art 4(8) and 8(6) of the DGSD]

11.7 A firm must take reasonable steps to ensure the accuracy of the data it holds to satisfy the requirements of this Chapter.

11.8 The information required by 11.1 and 11.2 must be electronically stored.

12 SINGLE CUSTOMER VIEW REQUIREMENTS

12.1 A firm must provide to the FSCS all single customer views and exclusions views within 24 hours of the relevant deposits becoming unavailable deposits.

12.2 A firm must provide all single customer views and exclusions views to the PRA or FSCS within 24 hours of a request by the PRA or FSCS.

12.3 If a firm does not have any accounts or balances which are required to be included within the exclusions view, the firm must provide confirmation of this to the FSCS.
[Note: Art. 4(8), 7(6) and 8(6) of the DGSD]

12.4 A firm must provide the information required by 12.1 and 12.2 by secure electronic transmission and in a format which is readily transferable to and compatible with the FSCS’s systems.

12.5 A firm must provide the FSCS with single customer views and exclusions views within three months of receiving a Part 4A permission to accept deposits.

12.6 The FSCS must, within six months of receiving the information required by 12.2 or 12.5, advise the PRA whether the information provided by a firm’s SCV system is capable of being submitted to the FSCS and whether it is compatible with the FSCS’s systems to enable it to pay compensation within the time limits contained in 9.2.

12.7 A firm must ensure that its SCV system:

(1) automatically identifies the amount of covered deposits payable to each depositor; and

(2) includes a facility which identifies any portion of an eligible deposit that is over the coverage level provided for in 4.2.

12.8 A firm must take reasonable steps to ensure the accuracy of the data it holds in order to satisfy the requirements of this Chapter.

12.9 A firm must ensure that each single customer view and exclusions view contains all the information set out in the table below.

12.10 Where a firm prepares both a single customer view and an exclusions view for a depositor, the “unique customer identifier” on both the single customer view and the exclusions view must be identical.

12.11 Where the account is a structured deposit account where the return cannot be calculated until the maturity date because the return is based on growth of an index as determined at a future date, the figure in the account balance (Field 42) must be the total of the principal, any attributable contractual minimum return and any interest accrued prior to the product start date.

12.12 Where a depositor holds more than one account, the section of the single customer view and exclusions view which sets out “Details of account(s)” must be completed for each account held.

12.13 The amount inserted into each single customer view and exclusions view as the account balance (Field 42) and aggregate balance across all accounts (Field 49) must be the total of principal plus any interest or premium attributable up to the compensation date (or the date on which the PRA or FSCS requests the firm to provide the single customer view and exclusions view in accordance with 12.2).

12.14 A firm must ensure that the amount inserted into each single customer view and exclusions view as the account balance (Field 42), original account balance before interest (Field 46) and aggregate balance across all accounts (Field 49) includes any payment made to the depositor for which value has been credited to the depositor’s account regardless of whether the firm has received the value itself. A firm must ensure that the amount inserted into each single customer view and exclusions view as the account balance (Field 42), original account balance before interest (Field 46) and aggregate
balance across all accounts (Field 49) excludes any payment sent by the depositor which has been debited from the depositor’s account regardless of whether the firm has sent value itself.

12.15 At the end of the file containing the single customer view and exclusions view for all depositors, the firm must include a file footer indicating that the file is complete. The file footer must contain the figure “9” repeated 20 times. The file footer must appear at the end of the complete file containing the single customer view or exclusions view for all depositors after the last record.

13 BRRD MARKING AND CONTINUITY OF ACCESS

13.1 This Chapter does not apply to the FSCS, credit unions or Northern Ireland credit unions.

13.2 A firm must mark accounts which hold:

(1) eligible deposits from natural persons and micro, small and medium-sized enterprises; and

(2) deposits that would be eligible deposits from natural persons or micro, small and medium-sized enterprises if the deposit had not been made through a branch of the firm located outside the EEA

in a way that allows for the immediate identification of such accounts.

13.3 A firm must, at least annually, take reasonable steps to confirm that a depositor that it has classified as a micro, small and medium-sized enterprise continues to be a micro, small and medium-sized enterprise using the exchange rate prevailing on the 3 July immediately preceding the date on which any confirmation is undertaken.

13.4 A firm must ensure that its SCV system:

(3) automatically identifies the transferable eligible deposit for each depositor, including the account or accounts in which the transferable eligible deposit is held; and

(4) automatically identifies any account held by a depositor which contains both the transferable eligible deposit (or a portion of the transferable eligible deposit) and also other deposits of the depositor which do not form part of the transferable eligible deposit.

13.5 A firm must identify the transferable eligible deposit for each depositor by applying the amount of the maximum payment for an eligible deposit to the accounts included in the single customer view in accordance with the hierarchy set out in the table below:

13.6 A firm must have systems in place that enable it to transfer any eligible deposits which do not form part of the transferable eligible deposit into a separate account.
13.7 A firm must transfer any eligible deposits which do not form part of the transferable eligible deposits into a separate account within 48 hours of the transferable eligible deposits becoming unavailable deposits, or upon receipt of a request of the PRA.

13.8 A firm must have systems in place which enables it to freeze any account which is not marked in accordance with 11.1 and any account included in an exclusions view within 5 hours of the transferable eligible deposits becoming unavailable deposits, or on a request of the PRA.

13.9 A firm must take reasonable steps to ensure the accuracy of the data it holds in order to satisfy the requirements of this Chapter.

13.10 The information required by 13.2 must be electronically stored.

14 SINGLE CUSTOMER VIEW AND EXCLUSIONS VIEW REPORTING

14.1 This Chapter does not apply to the FSCS.

14.2 A firm must provide the PRA and FSCS with an SCV effectiveness report within three months of receiving a Part 4A permission to accept deposits.

14.3 A firm must notify the PRA and FSCS of a material change in the firm’s SCV system within 3 months of the change.

14.4 The notification in 14.3 must be accompanied by a statement signed on behalf of the firm’s governing body confirming that the firm’s SCV system satisfies the SCV requirements.

14.5 A firm must provide an SCV effectiveness report to the PRA or FSCS promptly upon request by the PRA or FSCS.

14.6 A firm must update its SCV effectiveness report annually.

14.7 A description of a firm’s SCV system and how it has been implemented must include an explanation of any code or keys used internally by the firm so that the FSCS can easily identify:

1. eligible deposits and accounts which are held on behalf of beneficiaries and which contain or may contain eligible deposits; and

2. the accounts referred to in 13.2.

14.8 A firm’s SCV effectiveness report must contain:

1. a description of:

   a. the firm’s SCV system and how it has been implemented;
   b. how the firm proposes to transfer to the FSCS single customer views including specifying the transfer method and format;
   c. the testing undertaken with respect to the robustness of the firm’s SCV system (including information on preparation of the single customer view in stressed scenarios, frequency of testing and reconciliation with core systems);
   d. the number of single customer views and exclusions views in the firm’s SCV system;
(e) the firm’s plan for the ongoing maintenance of the firm’s SCV system;

(f) how the firm’s governing body will ensure that they remain satisfied that the firm’s SCV system continues to satisfy the SCV requirements;

(g) how the facility required by 12.7(2) is applied;

(h) any other factors relevant to the design of the firm’s SCV system or to an assessment of whether the firm’s SCV system satisfies the PRA’s SCV requirements;

(i) any dependencies in creating single customer views and exclusions views (such as reliance on group systems);

(j) treatment of accounts which are dormant accounts;

(k) how exclusions views are created; and

(l) a description of the procedures and controls that a firm has in place regarding the production of single customer views and exclusions views (such as secure storage and an indication of how key person dependencies are managed).

(2) a statement signed on behalf of the firm’s governing body confirming that the firm’s SCV system satisfies the SCV requirements;

(3) the date when the firm’s SCV system last produced a single customer view and exclusions view for each depositor;

(4) a statement of whether the firm’s SCV effectiveness report has been reviewed by external auditors, and if so a statement of the findings of that review; and

(5) a statement of whether there has been a material change to the firm’s SCV system since the date of the firm’s previous SCV effectiveness report.

15 MARKING AND CONTINUITY OF ACCESS REPORTING

24.4 The FSCS may agree to pay the reasonable costs of a depositor bringing or continuing insolvency proceedings against a DGS member in respect of eligible deposits (whenever instituted), if the FSCS is satisfied that those proceedings would help it to discharge its functions under this Part.

24.5 The FSCS must have regard to the need to use its resources in an efficient and economic way in carrying out its functions under this Part.

24.6 The FSCS must perform stress tests of its systems relating to the payment of compensation in respect of eligible deposits at least once every three years and more frequently where the FSCS considers it necessary, with the first such stress test taking place by 3 July 2017.

[Note: Art. 4(10) of the DGSD]

24.7 The FSCS shall use the information necessary to perform stress tests of its systems relating to the payment of compensation in respect of eligible deposits only for the performance of those tests and shall keep such information no longer than is necessary for that purpose.

[Note: Art. 4(12) of the DGSD]

25 CLAIMS AGAINST THE FSCS AND CHALLENGING FSCS DECISIONS

25.1 The FSCS must ensure that a person who would be, or considers that they would be, affected by an FSCS decision in relation to compensation, has an opportunity to make representations in respect of that potential decision before it is finalised.

25.2 The FSCS may provide that depositors may only submit claims for compensation in respect of deposits within a specified period of time (not less than three months) from the expiry of the applicable time period for payment of compensation as specified in 9.2 or the decision of the FSCS under 9.3 or 9.4.

25.3 The FSCS must, if requested by the depositor and subject to other applicable laws, give reasons to the depositor for any decision not to pay compensation in relation to some or all of their deposits.

25.4 The procedure established by the FSCS under this Chapter must satisfy the minimum requirements of procedural fairness and comply with the European Convention on Human Rights for the handling of any complaints of maladministration relating to any aspect of the operation of the deposit guarantee scheme.

[Note: Art. 9(1) and (3) of the DGSD]

[Note: Art. 4(9) of the DGSD]

26.2 The FSCS must exchange with host state schemes (in relation to a DGS member), information:
(1) relating to the DGS member’s compliance with this Part;

(2) necessary to prepare for a repayment of depositors, including markings made under Chapter 11;

[Note: Art. 14(4) of the DGSD]

26.3 The FSCS must have appropriate procedures in place to enable it to share information and communicate effectively with non-UK schemes, the members of such schemes, and bodies outside the UK. The FSCS shall inform the PRA of any cooperation agreement it enters into with a non-UK scheme.

[Note: Art. 14(6) of the DGSD]

26.4 In order to facilitate effective co-operation, the FSCS shall have written co-operation agreements in place with non-UK schemes. Such agreements shall take account of 26.1.

[Note: Art. 14(5) of the DGSD]

27 PAYMENTS IN RESPECT OF UK BRANCHES OF INCOMING FIRMS AND EEA BRANCHES OF DGS MEMBERS

27.1 This Chapter applies only to the FSCS.

27.2 Where the FSCS is required under the deposit guarantee scheme regulations to pay compensation on behalf of a non-UK scheme, the FSCS must inform the depositors concerned that the relevant credit institution is in default and of their right to compensation on behalf of the non-UK scheme. The FSCS may receive correspondence from those depositors on behalf of the non-UK scheme.

[Note: Art. 14(2) of the DGSD]

27.3 Where the FSCS is required, under this Part, to pay compensation to a depositor in respect of deposits held with a branch of a DGS member in an EEA state other than the UK, the FSCS must instruct the relevant non-UK scheme to make such payments on its behalf. The FSCS must provide the necessary funding prior to payout by the non-UK scheme and must compensate the non-UK scheme for costs incurred by the non-UK scheme with regard to acts done by the non-UK scheme in accordance with the instructions given by the FSCS.

[Note: Art. 14(2) of the DGSD]

28 SUBROGATION

28.1 This Chapter applies to the FSCS.

28.2 The FSCS may determine that the payment of compensation by the FSCS shall have all or any of the following effects:
the FSCS shall immediately and automatically be subrogated, subject to such conditions as the FSCS determines are appropriate, to all or any part (as determined by the FSCS) of the rights and claims in the UK and elsewhere of the compensation recipient against the DGS member and/or any third party (whether such rights are legal, equitable or of any other nature whatsoever and in whatever capacity the DGS member or third party is acting) in respect of or arising out of the compensation recipient’s deposits being unavailable;

(2) the FSCS may claim and take legal or any other proceedings or steps in the United Kingdom or elsewhere to enforce such rights in its own name or in the name of, and on behalf of, the compensation recipient or in both names against the relevant credit institution and/or any third party;

(3) the subrogated rights and claims conferred on the FSCS shall be rights of recovery and claims against the relevant credit institution and/or any third party which are equivalent (including as to amount and priority and whether or not the relevant DGS member is insolvent) to and not exceed the rights and claims that the compensation recipient would have had; and/or

(4) such rights and/or obligations (as determined by the FSCS) as between the firm and the compensation recipient arising out of the compensation recipient’s deposit being unavailable, shall be transferred to, and subsist between, another firm and the compensation recipient provided that the firm has consented (but the transferred rights and/or obligations shall be treated as existing between the firm and the FSCS to the extent of any subrogation, transfer or assignment for the purposes of (1) to (3) and 28.3).

[Note: Art. 9(2) of the DGSD]

28.3

(1) The FSCS may determine that, if it is necessary or desirable in conjunction with the exercise of the FSCS’s powers under 28.2, that the compensation recipient shall be treated as having irrevocably and unconditionally appointed the chairman of the FSCS for the time being to be their attorney and agent and on their behalf and in their name or otherwise to do such things and execute such deeds and documents as may be required under such laws of the UK, another EEA State or any other state or law-country to create or give effect to such assignment or transfer or otherwise give full effect to those powers.

(2) The execution of any deed or document under (1) shall be as effective as if made in writing by the compensation recipient or by his agent lawfully authorised in writing or by will.

28.4

(1) The powers conferred on the FSCS in 28.2 and 28.3 to make a determination must be exercised in writing.

(2) An instrument by which the FSCS makes a determination must specify the provision under which it is made, the date and the time from which it takes effect and the DGS member and the eligible deposits or classes of eligible deposit in respect of which it applies.
(3) The FSCS must take appropriate steps to publish the determination as soon as possible after it is made. Such publication must be accompanied by a statement explaining the effect of 28.2 and the FSCS’s determination.

(4) Failure to comply with any requirement under this rule does not affect the validity of the determination.

(5) A determination by the FSCS under 28.2 may be amended, remade or revoked at any time and subject to the same conditions.

28.5

(1) The production of a copy of the determination purporting to be made by the FSCS under this Chapter:

   (a) on which is endorsed a certificate, signed by a member of the FSCS’s staff authorised by it for that purpose; and

   (b) which contains the required statements;

is evidence (or in Scotland sufficient evidence) of the facts stated in the certificate.

(2) The required statements are:

   (a) that the determination was made by the FSCS; and

   (b) that the copy is a true copy of the determination.

(3) A certificate purporting to be signed as mentioned in (1) is to be taken to have been properly signed unless the contrary is shown.

(4) A person who wishes in any legal proceedings to rely on a determination may require the FSCS to endorse a copy of the determination with a certificate of the kind mentioned in (1).

29 DUTIES ON FSCS TO PURSUE RECOVERIES

29.1 If the FSCS takes a transfer of rights from the compensation recipient or is otherwise subrogated to the rights of the compensation recipient, it must pursue all and only such recoveries as it considers are likely to be both reasonably possible and cost effective to pursue.

29.2 If the FSCS decides not to pursue such recoveries and a compensation recipient wishes to pursue those recoveries and so requests in writing, the FSCS must comply with that request and assign the rights back to the compensation recipient.
**30 RECOVERIES OF ELIGIBLE DEPOSITS: RETURN OF SURPLUS TO COMPENSATION RECIPIENT**

30.1 If the FSCS, in relation to a claim for eligible deposits, makes recoveries from the credit institution or any third party in respect of that eligible deposit the FSCS must:

1. retain from those recoveries a sum equal to the "FSCS retention sum"; and
2. as soon as reasonably possible after it makes the recoveries, pay to the compensation recipient (or, if not the depositor, as directed by the depositor), a sum equal to the "top up payment".

30.2 The FSCS must calculate the "FSCS retention sum" and the "top up payment" as follows:

1. calculate the "recovery ratio", being the ratio of:
   a. the amount recovered by the FSCS through rights assigned or transferred or otherwise subrogated (less any deduction from that amount the FSCS may make to cover part or all of its reasonable costs of recovery and distribution); to
   b. the compensation recipient's claim for eligible deposits against the credit institution less any liability of a home state scheme;
2. subtract the sum paid by the FSCS as compensation and any amount paid or payable by a home state scheme to the compensation recipient from the total value of the compensation recipient's overall claim for eligible deposits, to give the "compensation shortfall";
3. apply the recovery ratio to the sum paid by the FSCS as compensation to the compensation recipient, to give the "FSCS retention sum"; and
4. apply the recovery ratio to the compensation shortfall, to give the "top up payment".

**31 FUNDING - AVAILABLE FINANCIAL MEANS**

31.1 This Chapter applies only to the FSCS.

31.2 The FSCS must have in place adequate systems to determine the potential liabilities of the deposit guarantee scheme and ensure that the available financial means of the deposit guarantee scheme are proportionate to those liabilities.

[Note: Art. 10(1)(first paragraph) of the DGSD]

31.3 The FSCS must primarily use the available financial means of the deposit guarantee scheme to repay depositors pursuant to the deposit guarantee scheme.

[Note: Art. 11(1) of the DGSD]

**32 FUNDING - USE OF EXISTING MANDATORY CONTRIBUTIONS**

32.1 This Chapter applies only to the FSCS.
32.2 If the PRA determines, in accordance with the deposit guarantee scheme regulations, that the FSCS is unable to raise a DGS compensation costs levy from DGS members to meet the liabilities of the deposit guarantee scheme, the FSCS may borrow an amount equal to the amount of such mandatory contributions in order to meet the liabilities of the deposit guarantee scheme.

[Note: Art. 10(4) (third paragraph) of the DGSD]

32.3 The FSCS must impose a DGS compensation costs levy on DGS members sufficient to repay any amounts equal to mandatory contributions borrowed in accordance with Article 10 (4) of the DGSD within a reasonable time and in accordance with repayment deadlines under the applicable loan agreement and 34.3.

[Note: Art. 10(4) (third paragraph) and Article 10(2) (second paragraph) of the DGSD]

33 FUNDING - FSCS’S POWER TO LEVY AND LIMITS ON LEVIES

33.1 This Chapter applies only to the FSCS.

33.2 The FSCS may, at any time, impose on DGS members:

(1) DGS compensation costs levy;

(2) DGS management expenses levy; or

(3) legacy costs levy.

33.3 The maximum aggregate amount of DGS compensation costs, legacy costs and DGS specific costs for which the FSCS can levy class A in any one financial year of the deposit guarantee scheme is limited to £1,500,000,000 less whatever DAS compensation costs and DAS specific costs the FSCS has imposed on class J in the same year.

33.4 The maximum amount of DGS compensation costs for which the FSCS can levy DGS members per calendar year must not exceed 0.5% of total covered deposits (excluding temporary high balances) of all DGS members. The FSCS may in exceptional circumstances and with the prior consent of the PRA impose higher levies.

[Note: Art. 10(8) of the DGSD]

34 FUNDING - DGS COMPENSATION COSTS LEVY

34.1 This Chapter applies only to the FSCS.

34.2 The FSCS must raise available financial means by imposing a DGS compensation costs levy on DGS members at least once in each financial year for expenditure incurred or expected in the period of 12 months following 1 July in that year.

[Note: Art. 10(1)(second paragraph) of the DGSD]

34.3

(1) If, after the available financial means of the deposit guarantee scheme have reached the target level for the first time, the available financial means have been reduced to less
than two-thirds of the target level, the FSCS must impose regular DGS compensation cost levies on DGS members at a level allowing the target level to be reached again within six years.

(2) The regular levies imposed under (1) shall take due account of the phase of the business cycle and the impact that procyclical contributions may have when setting annual contributions.

[Note: Art. 10(2) (third and fourth paragraphs) of the DGSD]

34.4 DGS compensation cost levies imposed on DGS members to raise the available financial means of the deposit guarantee scheme must be based on the amount of covered deposits (excluding temporary high balances) incurred by the respective DGS member.

[Note: Art. 13(1) of the DGSD]

34.5 The FSCS may decide that a DGS member must pay a minimum contribution under a DGS compensation costs levy, irrespective of the amount of its covered deposits.

[Note: Art. 13(1) (fifth paragraph) of the DGSD]

34.6 The FSCS may only impose a DGS compensation costs levy on DGS members if the FSCS has reasonable grounds for believing that the funds available to it to meet relevant expenses are, or will be, insufficient, taking into account expenditure already incurred, actual and expected recoveries and the level of the FSCS’s expected expenditure in respect of DGS compensation costs in the 12 months immediately following the levy.

34.7 The FSCS may include in a DGS compensation costs levy the costs of compensation paid by the FSCS in error, provided that the payout was not made in bad faith.

35 FUNDING - DGS MANAGEMENT EXPENSES LEVY

35.1 This Chapter applies only to the FSCS.

35.2 The FSCS may only impose a DGS management expenses levy on DGS members if it has reasonable grounds for believing that the funds available to it to meet relevant expenses are, or will be, insufficient, taking into account expenditure already incurred, actual and expected recoveries and the level of the FSCS's expected expenditure in respect of those expenses in the financial year of the deposit guarantee scheme in relation to which the levy is imposed.

35.3 The FSCS must apply any amount collected from a DGS management expenses levy to the payment of management expenses and, as such, must not treat such funds as available financial means of the deposit guarantee scheme.

36 FUNDING - LEGACY COSTS LEVY

36.1 This Chapter applies only to the FSCS.

36.2 The FSCS must not impose a legacy costs levy on Northern Ireland credit unions in respect of legacy costs incurred before 31 March 2012.
36.3 The FSCS must apply any amount collected from a legacy costs levy to the payment of legacy costs and, as such, must not treat such funds as available financial means of the deposit guarantee scheme.

36.4 The FSCS must allocate any legacy costs levy to DGS members subject to the levy limit for class A under 33.3.

36.5 The FSCS must calculate each DGS member’s share of a legacy costs levy by:

1. identifying the legacy costs allocated to class A;
2. calculating the DGS member’s class A tariff base as a proportion of the total class A tariff base of all DGS members (excluding Northern Ireland credit unions), using the statement of business most recently supplied;
3. applying the proportion calculated in (2) to the figure in (1).

36.6 Legacy cost levies must be based on the amount of covered deposits (excluding temporary high balances) incurred by the respective DGS member.

36.7 A firm which becomes a DGS member part way through a financial year of the deposit guarantee scheme will not be liable to pay a share of a legacy costs levy made in that year.

36.8 41.5 applies to the calculation of a DGS member’s legacy costs levy and its class A tariff base as it applies to the calculation of its DGS specific costs levy.

37 FUNDING - MANAGEMENT OF FUNDS LEVIED

37.1 This Chapter applies only to the FSCS.

37.2 If the FSCS invests any available financial means of the deposit guarantee scheme, it must invest it in a low-risk and sufficiently diversified manner.

[Note: Art. 10(7) of the DGSD]

37.3 The FSCS must hold any amount collected from a DGS specific costs levy, DGS compensation costs levy or legacy costs levy to the credit of class A.

37.4 Interest earned by the FSCS in the management of funds held to the credit of class A must be credited to that class, and must be set off against the DGS management expenses, DGS compensation costs and legacy costs allocated to that class.

37.5 The FSCS must keep accounts which include:

1. the funds held to the credit of class A; and
2. the liabilities of class A.

38 FUNDING - ADJUSTMENTS TO LEVY SHARES

38.1 This Chapter applies only to the FSCS.
38.2 If a DGS member’s share of a DGS levy or an additional administrative fee or interest under 45.3 would be so small that, in the opinion of the FSCS, the costs of collection would be disproportionate to the amount payable, the FSCS may treat the DGS member as if its share of the levy or additional administrative fee amounted to zero.

38.3 The calculation of DGS levies must take into account previous levies, where funds raised in anticipation of meeting liabilities prove either more or less than the amount actually required.

38.4 The FSCS may adjust the calculation of a DGS member’s share of any DGS levy to take proper account of:

1. any excess, not already taken into account, between previous levies of that type imposed in relation to previous periods and the relevant costs actually incurred in that period; or

2. amounts that the FSCS has not been able to recover from DGS members as a result of 33.3 or 33.4; or

3. amounts that the FSCS has not been able to recover from DGS members after having taken reasonable steps; or

4. payments deferred under 46.2, the calculation of levies after an acquisition of deposit business under Chapter 39 or Chapter 40, calculations under 41.6; or

5. anything else that the FSCS believes on reasonable grounds should be taken into account.

38.5 The FSCS must not adjust the calculation of a DGS member’s share of any DGS levy under 38.4 on the grounds that it would be inequitable for that firm to pay that share or part of it or on the grounds that it would be inequitable for the FSCS to retain that share or part of it. Any such claim should be dealt with under Chapter 46.

39 FUNDING - BUSINESS ACQUISITIONS FROM DGS MEMBERS

39.1 This Chapter applies only to the FSCS.

39.2 If:

1. a DGS member (A) assumes a liability to repay deposits held by another DGS member (B);

2. B is no longer liable to pay a DGS levy to the FSCS; and

3. the assumption of liability takes place after the date to which, or as of which, A’s most recent statement of business is drawn up,

the FSCS must require A to pay an additional amount equal to the levy that would have been payable by B in relation to the relevant business and class A if the acquisition had not taken place and B had remained liable to pay DGS levies. The amount is based on the B’s most recent statement of business.
39.3 This Chapter only applies with respect to those financial years of the FSCS for which A's levies are calculated on the basis of a statement of business drawn up to a date, or as of a date, before the assumption of liability took place.

40 FUNDING - BUSINESS ACQUISITIONS FROM NON-DGS MEMBERS

40.1 This Chapter applies only to the FSCS.

40.2 If a DGS member (A) assumes a liability to repay deposits held by a non-DGS member (B) and the assumption of liability takes place after the date to which, or as of which, A’s most recent statement of business is drawn up, the FSCS must not require A to pay an additional amount as a result of that acquisition.

40.3 This Chapter only applies with respect to those financial years of the FSCS for which A’s levies are calculated on the basis of a statement of business drawn up to a date, or as of a date, before the assumption of liability took place.

41 FUNDING - MANAGEMENT EXPENSES

41.1 A DGS member’s share of a DGS management expenses levy consists of one or more of: (1) a share of a DGS base costs levy and (2) a share of a DGS specific costs levy.

41.2 The FSCS must ensure that each DGS member’s share of a DGS management expenses levy separately identifies the firm’s share of the DGS base costs levy and DGS specific costs levy.

41.3 The FSCS must allocate any DGS specific costs levy to class A up to the levy limit for class A under 33.3.

41.4 The FSCS must calculate a DGS member’s share of a DGS specific costs levy by:

(1) identifying DGS specific costs which the FSCS has incurred, or expects to incur, in the relevant financial year of the deposit guarantee scheme allocated to class A, but not yet levied;

(2) calculating the DGS member’s class A tariff base as a proportion of the total class A tariff base, using the statement of business most recently supplied; and

(3) applying the proportion calculated in (2) to the figure in (1).

41.5 The FSCS must not require a firm (A) which becomes a DGS member part way through a financial year of the deposit guarantee scheme to pay a share of a DGS specific costs levy until the financial year of the FSCS following the FSCS financial year in which A became a DGS member, at which time A’s share of a DGS specific costs levy must be calculated under 41.6.

41.6

(1) Unless otherwise provided in (2), A’s class A tariff base is calculated, where necessary, using a projected valuation of the business to which the tariff relates.

(2)
(a) If A’s *class A tariff base* is calculated using data from a period that begins on or after it became a *DGS member*, that data must be used to calculate A’s *class A tariff base*.

(b) If A’s *class A tariff base* satisfies the following conditions, it must be calculated under (c)

(i) A became a *DGS member* between 1 April and 31 December inclusive; and

(ii) A’s *class A tariff base*, but for this rule, is calculated by reference to the financial year ended in the calendar year ending 31 December or the twelve *months* ending 31 December before the FSCS financial year.

(c) If A satisfies the conditions in (b) it must calculate its *class A tariff base* as follows:

(i) it must use actual data in relation to the business to which the tariff relates rather than projected valuations;

(ii) the tariff is calculated by reference to the period beginning on the date it became a *DGS member* and ending on the 31 December before the start of the FSCS financial year; and

(iii) the figures are annualised by increasing them by the same proportion as the period of 12 *months* bears to the period starting from when the *DGS member* became a *DGS member* to the 31 December, as the case may be.

(d) Where A is required to use the method in (c) it must notify the FSCS of its intention to do so by the date specified in 44.2.

(e) Where A is required to use actual data under this rule, Chapter 43 is disapplied, to the extent it is incompatible, in relation to the calculation of that *DGS member*’s valuation date in its second financial year.

42 FUNDING - DGS COMPENSATION COSTS

42.1 This Chapter applies only to the FSCS.

42.2 The FSCS must allocate any *DGS compensation costs levy* to *DGS members* in accordance with the amount of *DGS compensation costs* arising from, or expected to arise from claims in respect of *covered deposits* up to the levy limit of *class A* under 33.3.

42.3 The FSCS must calculate each *DGS member’s* share of a *DGS compensation costs levy* by:

(1) identifying the *DGS compensation costs* allocated to *class A*;

(2) calculating, in relation to *class A*, the *DGS member’s* tariff base as a proportion of the total tariff base of all *DGS members* in *class A*, using the *statement of business* most recently supplied;
(3) applying the proportion calculated in (2) to the figure in (1).

42.4 When calculating a DGS member’s share of a DGS compensation costs levy or DGS specific costs levy allocated to class A, the FSCS must use the class A tariff base.

42.5 A firm which becomes a DGS member part way through a financial year of the deposit guarantee scheme will not be liable to pay a share of a DGS compensation costs levy made in that year.

42.6 41.5 applies to the calculation of a DGS member’s DGS compensation costs levy and its tariff base as it applies to the calculation of its specific costs levy.

43 FUNDING - CLASS A TARIFF BASE CALCULATION

43.1 The Class A tariff base is covered deposits (excluding temporary high balances) as at 31 December except that, where the covered deposit is a dormant account, the applicable tariff base is dormant account multiplied by 0.2 as at 31 December.

43.2 The class A tariff base calculation must be made on the basis of the information that the firm would have to include in its single customer views. The information must be of the extent and standard required if the firm was preparing the single customer view in accordance with the SCV requirements as at the valuation date for the tariff base.

43.3 A firm must also include in its class A tariff base calculation the total balance of any deposits in any:

(1) not active account; or

(2) account which holds funds to which the account holder is not absolutely entitled.

44 FUNDING - REPORTING REQUIREMENTS

44.1 This Chapter does not apply to the FSCS.

44.2 A firm must provide the FSCS by end of February each year (or, if it has become a DGS member part way through the financial year, by the date requested by the PRA) with a statement of the total amount of business (measured in accordance with the class A tariff base) which it conducted, in respect of the most recent valuation period ending before the relevant year in relation to class A.

The relevant year means the year in which the month of February (referred to above) falls. The valuation period will be 31 December.

44.3 A new DGS member must calculate its class A tariff base in accordance with 41.6.

44.4 If a firm does not submit a complete statement of business by the date on which it is due in accordance with 44.2 and any prescribed submission procedures:

(1) the firm must pay an administrative fee of £250 (but not if it is already subject to an administrative fee by the PRA for the same financial year); and
the DGS compensation costs levy and any DGS specific costs levy will be calculated using (where relevant) the valuation or valuations of business applicable to the previous period, multiplied by the factor of 1.10 (or, if it has become a DGS member part way through a financial year, on the basis of the information provided to the PRA for the purposes of FEES 4.4.2 R or on any other reasonable basis, making such adjustments as seem appropriate in subsequent levies once the true figures are known).

45 FUNDING - OBLIGATION TO PAY

45.1 This Chapter does not apply to the FSCS.

45.2 A firm must pay to the FSCS its share of each:

(1) DGS management expenses levy; and

(2) DGS compensation costs levy and legacy costs levy allocated to class A.

45.3 If a firm does not pay the total amount of its share of a DGS levy, before the end of the date on which it is due, it must pay an additional amount as follows:

(1) if the DGS levy was not paid in full before the end of the due date, an administrative fee of £250; and

(2) interest on any unpaid part of the DGS levy or administrative fee at the rate of 5% per annum above the Official Bank Rate from time to time in force, accruing on a daily basis from the date on which the amount concerned became due.

46 FUNDING - OVERPAYMENTS AND DEFERRAL OF PAYMENTS

46.1 The FSCS may reduce, remit or refund any overpaid amounts paid by a DGS member in respect of a particular period, due to a mistake of law or fact by the DGS member provided that the claim is made by the DGS member not more than two years after the beginning of the period to which the overpayment relates.

46.2 The PRA may defer, in whole or in part, a DGS member’s obligation to pay a DGS compensation costs levy or a legacy costs levy if the PRA considers that such contributions would jeopardise the liquidity or solvency of the firm. Such deferral shall not be granted for a longer period than six months but may be renewed upon request of the firm.

46.3 Any contributions deferred pursuant to 46.2 shall be paid when the payment no longer jeopardises the liquidity and solvency of the firm.

[Note: Art. 10(8) of the DGSD]

47 FUNDING - PAYMENT OF LEVIES

47.1 This Chapter does not apply to the FSCS.
47.2 A firm must pay its share of a DGS levy in one payment.

47.3 A firm’s share of a DGS levy is due on, and payable within, 30 days of the date when the invoice is issued.

47.4 A firm must pay its share of a DGS levy by either direct debit, credit transfer (e.g. BACS or CHAPS), cheque, Maestro, Visa Debit or by credit card (Visa/Mastercard/American Express only).

47.5 If a firm ceases to be a DGS member part way through a financial year of the deposit guarantee scheme:

(1) it will remain liable for any unpaid levies which the FSCS has already made on the firm; and

(2) the FSCS may make one or more levies upon it (which may be before or after the firm has ceased to be a DGS member but must be before it ceases to be a firm) for the costs which it would have been liable to pay had the FSCS made a levy on all DGS members in the financial year it ceased to be a DGS member.

48 FUNDING - TRANSFER OF LEVIES

48.1 This Chapter applies only to the FSCS.

48.2 If a firm ceases to be a DGS member and joins a non-UK scheme, the FSCS must transfer the contributions paid by that firm to the available financial means of the deposit guarantee scheme during the 12 months preceding the end of the membership to the relevant non-UK scheme.

48.3 48.2 does not apply if the firm has been excluded from the deposit guarantee scheme pursuant to Article 4(5) of the DGSD.

48.4 If some of the activities of a DGS member are transferred to another Member State and become subject to a non-UK scheme, the contributions paid by that firm during the 12 months preceding the transfer shall be transferred to the relevant non-UK scheme in proportion to the amount of covered deposits transferred.

[Note: Art. 14(3) of the DGSD]

49 TRANSITIONAL PROVISIONS – MARKING EFFECTIVENESS REPORT

49.1 This Chapter does not apply to the FSCS.

49.2 In this Chapter, the following definition shall apply:

49.5 The notification in 49.4 must be accompanied by a statement signed on behalf of the firm’s governing body confirming that the firm’s systems satisfy the marking requirements.

49.6 A firm must provide a marking effectiveness report to the PRA or FSCS promptly upon request by the PRA or FSCS.

49.7 A firm’s marking effectiveness report must contain:

1. a description of:
   
   (a) the firm’s systems or to satisfy the marking requirements and how they have been implemented (the firm’s systems include any manual systems used by the firm and any code or keys used internally by the firm to mark eligible deposits and accounts which are held on behalf of beneficiaries and which contain or may contain eligible deposits);

50.13 The amount inserted into the single customer view as the account balance and aggregate balance across all accounts must be the total of the principal plus any interest or premium attributable up to the compensation date (or in the absence of a compensation date, the date on which the FSCS or PRA makes a request to the firm to provide the single customer view).

50.14 If the account is a structured deposit account where the return cannot be calculated until the maturity date because the return is based on growth of an index as determined at a future date, the figure inserted into the single customer view as the account balance must be the total of the principal, any attributable contractual minimum return and any interest accrued prior to the product start date.

50.15 A firm must take reasonable steps to ensure the accuracy of the data it holds to satisfy the requirements of this Chapter.

51 TRANSITIONAL PROVISIONS – SINGLE CUSTOMER VIEW EFFECTIVENESS REPORT

51.1 This Chapter does not apply in relation to an eligible deposit:

1. of a large company;
2. contained in an account that is not active; or
3. contained in an account that holds funds to which a depositor is not absolutely entitled.

51.2 In this Chapter, the following definitions shall apply:

large company
means a body corporate which does not qualify as a small company under section 382 of the Companies Act 2006

**single customer view**

means a single, consistent view of a depositor’s aggregate eligible deposits with a firm which contains the information required by 50.11;

51.3  A firm must provide the PRA with an SCV effectiveness report within three months of receiving a Part 4A permission to accept deposits.

51.4  A firm must notify the PRA and FSCS of a material change in the firm’s systems to satisfy the requirements in Chapter 50 with respect to single customer views, within 3 months of the change.

51.5  The notification in 51.4 must be accompanied by a statement signed on behalf of the firm’s governing body confirming that the firm’s systems satisfy the requirements in Chapter 50 with respect to single customer views.

51.6  A firm must provide a SCV effectiveness report to the PRA or FSCS promptly upon request by the PRA or FSCS.

51.7  A firm’s SCV effectiveness report must contain, to the extent applicable:

1.  a description of:

   (a)  the firm’s systems to satisfy the requirements in Chapter 50 with respect to single customer views and how they have been implemented (the firm’s systems include any manual systems used by the firm and any code or keys used internally by the firm so that the FSCS can easily identify eligible deposits and accounts which are held on behalf of beneficiaries and which contain or may contain eligible deposits);

   (b)  how the firm proposes to transfer to the PRA or FSCS a single customer view for each depositor with eligible deposits including specifying the transfer method and format;

   (c)  the testing undertaken with respect to the robustness of the firm’s systems (including information on preparation of the single customer views in stressed scenarios, frequency of testing and where relevant, reconciliation with core systems);

   (d)  the number of single customer views;

   (e)  the firm’s plan for the ongoing maintenance of its systems;

   (f)  how the firm’s governing body will ensure that they remain satisfied that the firm’s systems continue to satisfy the requirements in Chapter 50 with respect to single customer views;

   (g)  how the check facility required by 50.6(2) is applied;
(h) any other factors relevant to the design of the firm’s systems or to an assessment of whether the systems satisfy the requirements in Chapter 50 with respect to single customer views;

(i) any dependencies in creating the single customer views (such as reliance on group systems); and

(j) the procedures and controls that a firm has in place regarding the production of the single customer views (such as secure storage and an indication of how key person dependencies are managed);

(2) a statement signed on behalf of the firm’s governing body confirming that the firm satisfies the requirements in Chapter 50 with respect to single customer views;

(3) the date when the firm’s systems last produced:

(a) a single customer view for each depositor; and

(b) a sample of single customer views and the sample size;

(4) a statement of whether the firm’s SCV effectiveness report has been reviewed by external auditors, and if so, a statement of the findings of that review; and

(5) a statement of whether there has been a material change to the systems since the date of the firm’s previous SCV effectiveness report.

51.8 A firm to which 50.5 and 50.6 applies must provide the FSCS with a representative sample of 10% of its single customer views or 10,000 of its single customer views (whichever is the smaller number) within three months of receiving a Part 4A permission to accept deposits.

51.9 The representative sample must include all types of account which contain eligible deposits (where the firm operates under more than one trading name the sample must include all types of account which contain eligible deposits for each trading name).

51.10 The FSCS must advise the PRA, within six months of receiving the information required by 51.6 whether the information provided by the firm’s systems to satisfy the requirements in Chapter 50 with respect to single customer views is suitable to be submitted to the FSCS and is compatible with the FSCS’s systems.

(2) in 43.2, the reference to single customer view is a reference to a single customer view compiled in accordance with the requirements in Chapter 50 and which contains the
information set out in 50.11 and the definitions of single customer view and SCV requirements in 1.4 are modified accordingly.

Additional information (all or some of the below)

1 Scheme responsible for the protection of your eligible deposit

Your eligible deposit is covered by a statutory Deposit Guarantee Scheme. If insolvency of your bank, building society or credit union should occur, your eligible deposits would be repaid up to £85,000 by the Deposit Guarantee Scheme.

2 General limit of protection

If a covered deposit is unavailable because a bank, building society or credit union is unable to meet its financial obligations, depositors are repaid by a Deposit Guarantee Scheme. This repayment covers at maximum £85,000 per bank, building society or credit union. This means that all eligible deposits at the same bank, building society or credit union are added up in order to determine the coverage level. If, for instance a depositor holds a savings account with £80,000 and a current account with £20,000, he or she will only be repaid £85,000.

[only where applicable] This method will also be applied if a bank, building society or credit union operates under different trading names. [insert name of the account holding bank, building society or credit union] also trades under [insert all other trading names of the same bank, building society or credit union]. This means that all eligible deposits with one or more of these trading names are in total covered up to £85,000.

In some cases eligible deposits which are categorised as “temporary high balances” are protected above £85,000 for six months after the amount has been credited or from the moment when such eligible deposits become legally transferable. These are eligible deposits connected with certain events including:

(a) certain transactions relating to the depositor’s current or prospective only or main residence or dwelling;
(b) a death, or the depositor’s marriage or civil partnership, divorce, retirement, dismissal, redundancy or invalidity;
(c) the payment to the depositor of insurance benefits or compensation for criminal injuries or wrongful conviction.

More information can be obtained under http://www.fscs.org.uk

3 Limit of protection for joint accounts

In case of joint accounts, the limit of £85,000 applies to each depositor.

However, eligible deposits in an account to which two or more persons are entitled as members of a business partnership, association or grouping of a similar nature, without legal personality, are aggregated and treated as if made by a single depositor for the purpose of calculating the limit of £85,000.

4 Reimbursement

The responsible Deposit Guarantee Scheme is the Financial Services Compensation Scheme, 10th Floor Beaufort House, 15 St Botolph Street, London, EC3A 7QU, Tel: 0800 678 1100 or 020 7741 4100, Email: ICT@fscs.org.uk. It will repay your eligible deposits (up to £85,000) within 20 working days until 31 December 2018; within 15 working days from 1 January 2019 until 31 December 2020; within 10 working days from 1 January 2021 to 31 December 2023; and within 7 working days from 1 January 2024 onwards, save where specific exceptions apply.

Where the FSCS cannot make the repayable amount available within 7 working days, it will, from 1 June 2016 until 31 December 2023, ensure that you have access to an appropriate amount of your covered deposits to cover the cost of living (in the case of a depositor which is an individual) or to
cover necessary business expenses (in the case of a depositor which is not an individual or a large company) within 5 working days of a request. Again, there are specific exceptions to this obligation.

In the case of a depositor which is a large company, where the FSCS cannot make the repayable amount available within 7 working days, it will, from 3 July 2015 until 1 December 2016, ensure that you have access to your covered deposits within fifteen working days of a request containing sufficient information to enable it to make a payment, save where specific exceptions apply.

If you have not been repaid within these deadlines, you should contact the Deposit Guarantee Scheme since the time to claim reimbursement may be barred after a certain time limit. Further information can be obtained under http://www.fscs.org.uk.

Other important information

In general, all retail depositors and businesses are covered by Deposit Guarantee Schemes. Exceptions for certain deposits are stated on the website of the responsible Deposit Guarantee Scheme. Your bank, building society or credit union will also inform you of any exclusions from protection which may apply. If deposits are eligible, the bank, building society or credit union shall also confirm this on the statement of account.
